- **Choose a database.**
- **Depending on your device, further instructions will vary.**

Overdrive has **e-books,**  
**audiobooks, music and movies!**

**How to Get Started:**

**Windows PC or Mac**

On your Windows or Mac computer, visit Overdrive from our website: **www.pembrokelibrary.ca**

Note: If you have a Windows 8 computer, you can install the OverDrive app from the Windows Store.

The first time you use OverDrive you will need to download Adobe Digital Editions. This is free software available at Overdrive and allows you to access your downloads and transfer them to another device.

**Tablet or Phone**

If you're using a tablet or smartphone, you can download the free OverDrive app to enjoy titles on your device. Visit your app store.

When signing into Overdrive, remember to only use digits **6-13** on your library card. If you get a message saying "Specific card cannot be found" please call the library at 613-732-8844 X1 or email [fineprint@pembrokelibrary.ca](mailto:fineprint@pembrokelibrary.ca) for assistance.

**Need more help?**

Stories, videos, puzzles, games, graphic novels and more!

### **Windows PC or Mac**

All you need is the Flash plug-in, which is preloaded on most computers and tablets, and an internet connection.

### **Tablet or Phone**

The site will automatically redirect you to "iPad& Mobile Device" site when you log in. However if you are not redirected, simply choose "Mobile" from the drop down menu at the top right corner and click "Go".

## **How to open an ebook with Adobe Digital Editions**

- ⇒ Search the database for eBook titles of interest.
- ⇒ Select the book that you would like to read by clicking on “Download, Checkout or Borrow” in the result list
- ⇒ When the File Download box opens, choose “Adobe Digital Editions”.
- ⇒ Instructions may vary slightly for different databases.

## **How to Transfer to eReaders compatible with Adobe Digital Editions**

(Supported devices include Nook, Kobo, and Sony readers.)

- ⇒ Connect your eReader to your computer using its own USB cable.
- ⇒ Adobe Digital Editions will show your eReader under “Bookshelves” on the left.
- ⇒ Click on the title of the eBook you downloaded, and drag and drop it onto the eReader icon.
- ⇒ To confirm transfer, click on the eReader icon and look for the title on the device.
- ⇒ Eject your eReader by clicking on the icon in the system tray.
