The Pembroke Public Library's information services link people with resources to fulfil their informational, educational, cultural and recreational needs. This policy describes information services at the Library and guides Library staff when answering reference questions.

1. All users seeking information will be treated equally regardless of sex, age, ability and ethnicity. The Library will provide welcoming spaces and Library services to indigenous people and share elements of First Nations culture with non-indigenous persons. See Pembroke Public Library's *FN-05 - Respect and Acknowledgment Declaration* and *FN-06 - Equity, Diversity, and Inclusion*.
2. The staff will respect and protect the confidential and private nature of requests for information.
3. The staff will answer all reference questions efficiently, accurately and as completely as possible and will be guided by the Pembroke Public Library's *Intellectual Freedom (FN-04)* policy. All questions will be considered important and legitimate, unless it becomes clearly apparent that they are otherwise.
4. The staff will assist the user in finding information and will provide instruction on how to use Library resources based upon the user's needs. The staff provide the following services:
 - a. Quick reference: These questions can usually be answered immediately using directories, almanacs and online resources
 - b. General reference: These questions usually require a lengthier search and/or the use of a number of sources to arrive at a complete answer may require a mutually agreed upon timeframe to complete.
5. The staff will refer users to the inter-Library loan service, other libraries, agencies and community
